ASSUMPTION OF RISK & WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is highly contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and the mandatory wearing of masks and have, in many locations, prohibited the congregation of groups of people.

StreetSquash has put in place preventative measures to reduce the spread of COVID-19; however, the Program cannot guarantee that you or your student(s) will not become infected with COVID-19. Further, attending any programs offered by StreetSquash could increase your risk and your child(ren)'s a risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending programs offered by StreetSquash and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at StreetSquash may result from the actions, omissions, or negligence of myself and others, including, but not limited to, program employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at StreetSquash or participation in its programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless StreetSquash, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of StreetSquash, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any StreetSquash program.

HEALTH & WELLNESS PERMISSION

The Social Work staff will create a series of Health & Wellness workshops for 6th-12th grade StreetSquashers. These workshops will happen once a month, in addition to regular academic and squash sessions. Our Health & Wellness program is an important aspect of StreetSquash's curriculum, empowering students to learn about their bodies and make healthy choices. We do not encourage students to engage in sexual activity or other risky behavior, but if they choose to do so, we want to make sure they fully understand the choices they are making and how to protect themselves from unwanted consequences. Our activities are designed to be developmentally appropriate for most students. Topics include reproductive anatomy, personal hygiene, pregnancy, contraception, healthy relationships, and gender identity.

Please check which workshops your child is approved to participate in.

- 6-7th grade Decision-Making Workshop
- 6-12th grade Mental Health and Wellness Workshop
- 6-12th grade Sexual Health Education Workshop
- 8-12th grade Drug and Alcohol Education Workshop

If you have any questions or concerns, please reach out to Sasha Diamond-Lenow at sasha@streetsquash.org in advance of the workshop to discuss the content before consenting
