COLLEGE ACCESS & SUCCESS PROGRAM (FOR HIGH SCHOOL STUDENTS)

Alongside our Academic, Squash, and Social Work Departments, our College Access & Success team helps our high school students get an early start preparing for their unique post-secondary paths.

High school participants engage in:

- Weekly College Prep Sessions that consist of (Career Exploration and College Knowledge)
- Individualized ACT/SAT prep
- Annual College Fair, Visits to post-secondary institutions and College Rep Visits to StreetSquash
- One-on-one college application/financial aid counseling
- Caregiver workshops/advising on college applications/financial aid
- Annual events focusing on college/career discovery and exploration

CAREER DEVELOPMENT

Our team continues to support alumni as they make the transition from high school to post-secondary programs, and for six years beyond high school graduation. Alumni participate in:

- Beginning College Program (BCP), which offers rising college first-years the skills/resources required to successfully transition to college (both academically and socially)
- Provide individualized professional career and prospective employment coaching to StreetSquash alumni and high school students.
- Support, and give clear feedback for StreetSquash alumni and high school students interested in entering the workforce.
- Personalized Career Exploration and Navigation.
- Resume and cover letter writing, interviewing, and job retention skills building.
- Workshop instruction on job search strategies, career trends and issues, and workplace success through seminars and workshops for high school students.
- Skill/competency-building internship preparation classes and workshops.
- Individual meetings with graduating high school students and alumni regarding employment opportunities and employer recruiting events.
- CAP (College Application Process) Students will review all the potential parts of a college application. We will identify the documents needed and start to gather. Students will create a Common App account, research schools and start to build a list.
